Dear Co-laborer in Christ,

It is with great joy and long standing patience we are celebrating the launch of a strategic evangelism initiative to bring the Gospel of Jesus Christ right into the living rooms of the people living throughout the Greater Delaware and Lehigh Valleys. Millions, yes MILLIONS, will be confronted with the truths of the Bible on a daily basis with all the quality network TV demands -- if the local church is willing to step up to the plate.

Allow me to introduce myself, my name is Robert (Bob) Jacobus, and back in September, 1997 I joined over 30 media and marketing professionals to launch a new ministry to serve the local church and evangelize the Philadelphia media market called Mission Media Ministries. I left NBC10 in Philadelphia with the plan of taking the experiences of secular television, joining forces with my talented media peers, and fashioning a media campaign promoting, and defending the Christian faith - exalting Jesus Christ as Lord. If you haven't already seen samples of our print ads, billboards, Internet, radio spots, and 30 - 60 second television spots, then understand this, the quality of this media campaign will be unlike any other Church initiative in the history of Philadelphia television. We employ only solid ideas, high-end filming, and persuasive themes. Yet, you are probably thinking, "How do we pay for all of this!?"

Here's the strategy:

#### Unity

- As individuals standing alone, we would be overwhelmed with the costs of running a media campaign that really reaches people with a sustained presence on TV or in print. Together we can invade the market.
- We have essentially formed an association, "The Christian Churches Association", to develop a media pool of resources. Over 130 churches have joined the association contributing, depending on size and budget, on average \$100 - \$600 per month to allow Mission Media to purchase prime advertising slots on network television and produce high quality commercials.

#### Resources

- A mere 200 evangelical churches out of the thousands in the Delaware and Lehigh Valleys contributing \$200 a month (just like supporting a missionary) will empower the Church Association with \$40,000 per month to shape our culture and win back the hearts and minds we have lost in the battle of ideas and culture. Enough to buy over 100 commercials a month in significant time slots!

#### Evangelism AND Discipleship!

- Local Church Growth! The project does not end there. Each commercial will have a toll free phone number (1-877-OUR-HOPE) and web address ([www.877ourhope.org](http://www.877ourhope.org)) for the Church Referral Network. Viewers can call (or Internet surf) to be referred to a local "association" church based on

their ZIP code. It has long been our philosophy that the process of evangelism and discipleship should be completed in the God ordained crucible of the local body of believers.

Mission Media Ministries is not alone. In a miraculous move of God, unbeknownst to me in all these years of planning, another young man on the other side of the country was pursuing the same vision for using the secular media for Christ in Boise, Idaho. Employing the skills God gave him, Michael Boerner has already launched a similar Mission Media uniting local churches and producing a number of commercials we have used as a spring board to launch here. Rather than re-invent the wheel, we have developed a direct relationship with Michael, accelerating our schedule by at least two years, learning from his mistakes, gleaning from his successes. In God's providence, we both labored apart until such time as our uniting would reap a tremendous harvest!

#### Our Accountability:

Mission Media Ministries strictly adheres to a doctrinal statement focusing on the major and fundamental tenants of the historic and orthodox Christian faith avoiding disputable matters. Already, multiple denominations have joined together destroying old walls of separation in Boise, ID. As a result, these churches are now uniting in other works of service as an outgrowth of Mission Media in Idaho.

Mission Media Ministries is directly accountable to our board of directors but most appropriately accountable to the local churches we serve. No contracts are signed requiring church pledges be fulfilled. Just as a local church supports a missionary, so the church supports our work. If we fail to perform our ministry up to expectations, withdraw support. Our ministry flourishes based on a mutual commitment: The local church to impacting the culture and Mission Media to strategically using donated resources to dramatically achieve that goal into the 21<sup>st</sup> century.

Asking more than just money from churches, in the future we hope as well to develop a Pastors Advisory Board which will provide insight, strategy, and leadership as we attempt to win the diverse people groups of the Delaware and Lehigh Valleys to Jesus Christ.

Please join us as we cast a modern net acting as fishermen in the 21<sup>st</sup> Century reaping the greatest harvest of all time! We look forward to serving you and serving the local church.

In His service and yours,

Robert David Jacobus  
Executive Director

### Statement of Faith

We believe there is one God who is infinitely perfect, existing eternally in three persons: Father, Son and Holy Spirit. We believe Jesus Christ to be true God and in his incarnation to have been true man. He was born of the Virgin Mary, conceived by the Holy Spirit, died for our sins and was raised from the dead for our justification. He is now seated at the right hand of God in majesty, making intercession as our High Priest. He will come again in glory to establish His kingdom of righteousness and peace.

We believe the Old and New Testaments to be the infallible Word of God, inerrant as originally given, directly inspired by God and the complete and sufficient revelation of His will for man's salvation and conduct.

We believe man was originally created in the image of God. Through disobedience, self-centeredness, and sin he incurred both physical and spiritual death. Thus, all are now born with a sinful nature, separated from God and can be saved only through the atoning work of Jesus Christ. All who are impenitent and unbelieving will be lost in a Christless eternity of conscious torment in hell; for those who believe eternity will be spent in God's presence, in His distinct joy and bliss.

We believe the church consists of all those who believe in the Lord Jesus Christ as Lord and Savior. They join together for worship, prayer, fellowship, the proclamation of the Gospel and observance of the ordinances of Baptism and the Lord's Supper.

We believe in the Second Coming of our Lord Jesus Christ as both personal and visible. This is our blessed hope.

We believe in the Great Commission to proclaim the Gospel of our Lord to the uttermost parts of the earth, thus giving man the Word of God in truth and also hastening the return of Christ.

We believe in the local Christian church as the primary and sufficient vehicle initiated and founded by God on the power of the Holy Spirit to nurture new believers in faith, disciple mature believers, and evangelize the lost.

#### Goals in relation to our statement of faith:

This ministry is in the primary service of the local church, uniting local church bodies to accomplish evangelism and elevate civic virtue in the face of corrupting social influences in ways unavailable when we stand apart.
